Portal Terms of use

1. Initial settings

1. The operator of the Portal and related websites is Asas Co. Ltd. sro, with its registered office at Janka kráľa 61, 949 01 Nitra, Slovak Republic, IČO50691465, DIČ2120424559, IČ DPHSK2120424559, , registered in the Commercial Register of the District Court of Nitra, section: Sro , entry no.: 42425/N ("Operator"),
2. A user of the Portal on the domain www.jaspi.sk is any natural or legal person who accesses the Portal's websites (visitor) and uses the services provided by the Operator on the Portal,
3. By using the Portal, the User agrees to these Terms and Conditions and undertakes to comply with them. The rights and obligations of the Operator and all users who visit the Portal are governed by these Terms and Conditions,
4. The use of some of the services provided within the Portal is not subject to registration,
5. Within the Portal, the Operator may provide paid services or services limited to a certain group of users, which may be subject to the Operator's special conditions,
6. Portal users may contact the Operator via the contact details provided on the Portal if they have any questions regarding these Terms and Conditions.

2. Content access to the portal

1. Within the Portal, the Operator makes content available to users and enables users to browse, obtain, search, process and store Content published on the Portal for their own non-commercial purposes,
2. The Operator makes standard Content available free of charge, which is accessible to all users without the need for registration,

3. Terms of use of the portal

1. The Portal User acknowledges that he uses the Portal and its Content at his own risk, and the Operator, to the maximum extent permitted by applicable regulations, shall not be liable for any damage related to or resulting from the use of the Portal, whether it occurred under a contractual relationship, under law or tort (including, without limitation, damage resulting from negligence) or otherwise, even if the Operator was or should have been aware of the possibility of such damage,
2. The User undertakes to use the Portal, its services and the Content accessible on it in accordance with the valid and effective legal regulations of the Slovak Republic, the European Union, international or other legal regulations,
3. The Portal User acknowledges that the Operator does not guarantee unlimited availability and functionality of the Portal in any way. The availability of the Portal may be limited, suspended or cancelled at any time. The content of the Portal and its individual functionalities may be changed or removed at any time without any notice,
4. The Operator is not responsible for the inability to access the Portal or its parts caused by the technical characteristics of the user's device or for technical problems during data transmission via the Internet or other electronic means,
5. The Operator is not responsible for the accuracy of information published in advertisements, commercials or other forms of promotion made available through the Portal by third parties,
6. The Operator is entitled to temporarily suspend the provision of services at any time for reasons of security, force majeure, decision of the competent public authority, performance of repairs and activities necessary for the proper functioning of the Portal (including

maintenance, repairs, addition of new features, updates, etc.), without this being considered a breach of any obligation of the Operator. The Operator, if possible and circumstances allow, shall inform users in advance and within a reasonable period of time of such temporary suspension of the provision of services by means of a notice published on the Portal, where possible also stating the reason and the expected duration of the suspension of services .

7. The Operator is authorized to communicate via the Portal messages of a verification, security or warning nature, or notifications in the urgent public interest based on a request from a public authority,

4. Intellectual property rights

1. Portal users acknowledge that the Content on the Portal is protected by copyright, trademarks, trade names, logos and other intellectual property rights, and the rights to it, including proprietary copyrights, are exercised by the Operator. The Portal Content is intended exclusively for personal and non-commercial use,
2. The User may copy and distribute the Portal Content by public transmission only for their personal and non-commercial use and on condition that the author, source of the Content and a functional link (hyperlink) to the original Content published on the Portal are indicated,

5. Protection of personal data

1. Portal users acknowledge that their personal data may be processed during their visit to the Portal. Further information on the processing of users' personal data is provided in the Privacy Policy,
2. Information about the use of cookies on the Portal's websites is provided in the Cookie Policy .

6. Final provisions

1. Any relationships arising in connection with the user's access to the Portal and use of its Content are governed by the laws of the Slovak Republic.
2. The Operator is entitled to change these Terms and Conditions at any time at its own discretion, in particular if changes are required by changes to the Portal, the facts, legal regulations, the Operator's technical capabilities or other circumstances arising from the Operator's needs. The currently valid version of the Terms and Conditions is published in the relevant section on the Portal's website.
